

## Abandoned Boats For Sale By Closed Auction

The following boats have either been donated to the club or have not been claimed by previous owners. They are therefore available to club members who may bid for them before the closing date of 14/10/05. All proceeds will go to club funds in lieu of unpaid fees on the boats. Bids should be made to the Secretary in a sealed envelope or by e-mail. Where more than one bid is received, the highest bid will win. The purchaser will then take on the responsibility of the boat including next year's fees (if kept at the club) or strip and disposal as appropriate (November the 5<sup>th</sup>!). All are sold as seen.
