

# Rutland Water Weekend

**29-31 May**

**Spend all day on the water  
and all night under canvas!**

**So much water, so little time!**

**Can't make the whole weekend?** Just turn up for a day.  
**Haven't got your own boat?** Come along for the social aspect with your kit and see if anyone needs a hand. It's a good opportunity to gain some different sailing experience.

**Speak to Julie Rust for more details or email
