IMPORTANT:

Boat owning members shall at all times have third party insurance cover of not less than £2,000,000 for any one accident. No boat may participate in sailing from the club premises unless it is insured and satisfies the conditions of boat buoyancy laid down by the relevant Class Association. Unless insured, boats should not be stored in the club compound and under current rules the club reserves the right to move such boats. **Please advise the Membership Secretary of your insurance details.**

Boats should be securely pegged down to avoid them toppling over in gales and damaging neighbouring boats, or as has happened before during severe floods, being swept away.

Changes of boat ownership or the introduction of new boats should be advised to the Membership Secretary as soon as practically possible to ensure that boat parking spaces are allocated appropriately, (membership@attenboroughsc.org.uk)

Please note that during the off season, empty pitches should not be assumed to be vacant – it is likely that a member has removed their boat for winter maintenance and will expect their allocated pitch to remain empty until their boat returns later in the season. A list of vacant pitches is available in the clubhouse or from the Membership Secretary.
