IMPORTANT:

Boat owning members shall at all times have third party insurance cover of not less than £2,000,000. No boat may participate in sailing from the club premises unless it is insured and satisfies the conditions of boat buoyancy laid down by the relevant Class Association. Unless insured, boats should not be stored in the club compound and under current rules the club reserves the right to move such boats. Boats should be securely pegged down to avoid them toppling over in gales and damaging neighbouring boats.

Please advise the Membership Secretary of your insurance details.

Please note empty pitches should not be assumed to be vacant and if you wish to move space contact the Membership Secretary. Changes of boat ownership or the introduction of new boats should be advised to the Membership Secretary as soon as practically possible to ensure that boat parking spaces are allocated appropriately,
